Wind Energy
Conference & Exhibition

22-25 November, London, UK

Business - Policy - Science - Technology

**Europe's premier
wind energy event**

Supported by:

2004 EUROPEAN Wind Energy Conference & Exhibition

22-25 November, London, UK

Business - Policy - Science - Technology

CHAIRMANS MESSAGE

The 2004 European Wind Energy Conference & Exhibition (2004 EWEC) will encourage an international exchange of experience on policy, finance and technical developments, and be a showcase for the latest technology. It will bring together a network of international wind energy experts from each and every sector of the wind industry. Such experts combined with leading policy makers will help bring market oriented and sustainable responses to energy markets across Europe.

The conference will discuss major issues of importance for European and Global wind markets, in technical and business areas, from resource assessment and innovative turbine design to market and policy developments, drawing on leading experience from all over Europe. Senior politicians and representatives from international institutions and national governments have also confirmed to speak at this leading wind event.

Antoni Martínez, Conference Chairman.

This is a great opportunity to showcase the UK's advances in renewable energy. Following our recent announcement of the next phase of offshore wind power expansion, the UK is rapidly developing a dynamic wind energy market. Wind power is vital in our long term energy policy set out in the recent White Paper. Wind will be the major factor in helping us to reach our target of generating 10% of our electricity from renewable sources by 2010 and a significant factor in reducing our carbon dioxide emissions by 60% by 2050.

Stephen Timms, Energy Minister, DTI, UK

WHY SHOULD I ATTEND?

- Gain first hand knowledge and experience from industry leaders, politicians and the research community
- Benefit from unique and unrivalled networking opportunities
- Obtain insight in, and understanding of the key issues
- Develop strategies to obtain competitive advantage
- See the latest products and services

WHAT WILL I DISCOVER?

- New market opportunities and corporate strategies
- Financial solutions and models
- Changing role of regulators in the liberalised market
- Latest technology and trends
- Policy & regulatory frameworks from across the EU and beyond
- Successful projects, case studies and strategies

Some **8GW of wind capacity, equivalent to £6 billion of investment,** is predicted to be built in the UK by 2010.

Marcus Rand, CEO, British Wind Energy Association

Europe's premier wind energy event

3,000 participants from 50 countries and over 200 exhibiting companies.

CONFERENCE

Over 180 speakers will present in 40 separate business, technical and workshop sessions, to further secure EWEA's position as the voice of the industry for both the business and research sectors. There will also be over 300 visual presentations and 8 parallel workshops from the world's leading experts. Papers will be presented in plenary, parallel and poster sessions.

Patricia Hewitt, UK Secretary of State at the Department of Trade and Industry (DTI), will open the conference and the following key political figures have also confirmed their presence:

- Margareta Wolf, Parliamentary State Secretary, Ministry for Environment, Nature Protection and Nuclear Safety, Germany
- Jacek Piechota, Secretary of State, Ministry for the Economy, Labour and Social Policy, Poland
- Stephen Timms, Energy Minister, UK
- Mechtild Rothe, MEP, Belgium
- Sir David King, Senior Scientific Advisor to HM Government, UK

Topics include:

© Plenary sessions:

- Achievements + challenges
- Round Table
- Security of energy supply
- Impacts of policies on market development
- CEO Vision
- Future structure of the industry

© Business & Policy Track:

- Project financing
- Market structures
- European & global markets
- Integrating wind power in electricity markets
- Environmental issues
- Winning hearts & minds
- Offshore: Developments and prospects

© Scientific & Technical Tracks:

- Resource assessment
- Aerodynamics & loads
- Electrical system design & control
- Condition monitoring & measurement
- Autonomous & distributed systems
- Offshore: technology trends
- New commercial wind turbines

© Workshops:

- R&D Strategy
- Grids & growth
- Finance forum
- Offshore
- Climate change policies
- Innovative components & systems
- Emerging markets
- Small turbines

Visit www.ewec.info for an updated programme

EXHIBITION Entrance fee - €40 / day

(includes all coffee breaks and lunch)

Over **200 companies** are expected to exhibit at the event from all sectors of the wind industry, making this the largest wind energy event ever held in the UK

The exhibition and conference are located within the same building (less than 5mins walk from each other) facilitating a fully integrated event and greater networking opportunities.

Please visit www.ewec.info for the most up to date exhibition floor plan, the exhibitors' list and the booking form. For further information or to book a stand contact Ms. Silke Schlinnertz info@ewea.org or **+32 2 546 1980**.

WEMBLEY CONFERENCE & EXHIBITION CENTRE

The Wembley Conference & Exhibition Centre is purpose built for flexibility and accessibility, offering visitors a first-class venue.

Members of EWEA or BWEA get €200 discount per conference delegate.

EWEA
THE EUROPEAN WIND ENERGY ASSOCIATION

SHAPING POLICY - BUILDING NETWORKS

EWEA is the most powerful wind energy network and voice of the industry, actively promoting the utilisation of wind power in Europe and worldwide.

EWEA ACTIVITIES AND OUTPUTS

Communications

EWEA produce a large variety of information tools - such as news releases, reports, briefing documents, statistics and market data, submissions, and presentations - all designed to increase the visibility of the wind industry.

Other Events

EWEA is a partner in the Global Windpower event, WindEnergy International Trade Fair and various Special Topic Conferences. EWEA also attends a number of UN based policy processes such as the Earth Summit (WSSD), the International Renewables 2004 conference and the Kyoto Protocol COP events (UNFCCC).

European Commission Joint Programmes

EWEA is working with the Commission on major projects such as the **Wind Energy R&D Network**, which is developing a European-wide strategy with 200 partners for wind energy R&D funding. Other projects include: **Re-Xpansion**, an analysis of renewable energy payment and policy mechanisms **Wind Energy The Facts**, a comprehensive publication containing information on all aspects of wind energy.

KEY BENEFITS OF EWEA MEMBERSHIP

You will have active participation in policy development

- Directly influence policy, promotion and development of European wind power
- Benefit from unrivalled networking opportunities with other EWEA members, the Executive Committee, Board, staff and other leading players

You will have priority access to key industry information

You will have greater opportunities to raise your profile

Discounts for members

- 30% off exhibition space at all EWEA events
- € 200 off delegate fees to conferences
- 10% off advertising space in Wind Directions magazine

Join now to position your organisation at the heart of the European wind power industry and policy debate

EWEA organise regular press conferences and launches to ensure that the media, general public and policy makers are aware of the industry's achievements and potential.

EWEA produce regular industry-wide market data and statistics including:

- **Wind Force 12**: the definitive industry analysis of the future potential of wind power.
- **75GW report**: 2010 wind power targets for Europe.
- **Sealegal**: enabling offshore wind developments.
- **The Facts**: an analysis of wind energy in the EU-25
- Regular **press briefings** and **news releases**.

Wind Directions, the bi-monthly magazine is essential reading for those who want to keep in touch with the world's fastest growing energy source. Every issue contains a concise and readable update on the wind energy industry - its achievements, its challenges and its prospects.

VAT No.: _____

What type of membership are you eligible for? Please tick as appropriate below:

Category	Eligibility	Annual Fee
Association Membership (reserved for non-profit organisations)		
<input type="checkbox"/>	A1 Associations legally based in the European Union and active in the field of wind energy, having more than 500 members or an annual turnover of at least Euro 500,000.	€ 2.300
<input type="checkbox"/>	A2 Associations legally based in the European Union and active in the field of wind energy, having between 101 and 500 members or an annual turnover ranging between Euro 100,000 and Euro 500,000.	€ 1.150
<input type="checkbox"/>	A3 Associations legally based in the European Union and active in the field of wind energy, and having up to 100 members, or an annual turnover of up to Euro 100,000. This category also includes EU academic institutions and EU non profit institutions or organisations active in the field of wind energy.	€ 460
<input type="checkbox"/>	AM Non wind energy associations, non-European Union Associations, non-European Union academic institutions and other non-European Union non profit associations or organisations.	€ 460
Corporate Membership		
<input type="checkbox"/>	C0 Corporations having an annual turnover in the wind energy sector exceeding Euro 65 million.	€ 16.100
<input type="checkbox"/>	C1 Corporations having an annual turnover in the wind energy sector ranging between Euro 6.5 million and Euro 65 million.	€ 8.050
<input type="checkbox"/>	C2 Corporations having an annual turnover in the wind energy sector up to Euro 6.5 million.	€ 4.025
<input type="checkbox"/>	C3 Corporations having an annual turnover in the wind energy sector not exceeding Euro 650,000.	€ 1.150
Lead Sponsor		
<input type="checkbox"/>	LS Open to all associations and corporations.	€ 30.000*

*(plus € 40 per € million turnover over € 100 million in the wind energy sector)

Please provide a brief description of your company and its main activities:

Conference Dinner (inc. VAT 17.5%)		<input type="checkbox"/> € 150,-	<input type="checkbox"/> € 150,-

To visit the exhibition only, simply register on site (€40,- per day).

Special Requirements (dietary, reduced mobility...): _____

Prices are per person. Please submit one form per delegate. Full-time students only, max. age: 30 years - copy of valid students I.D. Card has to be provided.

Fee includes: 1. VAT at 17.5% 2. Exhibition Guide 3. Conference Proceedings (except for one day tickets) 4. 2 coffee breaks & 2 course buffet lunch per day 5. Entrance to exhibition hall (Euro 40,-/day) 6. Conference and Exhibitor receptions

Payment

I will pay by (tick as appropriate):

Credit card: Visa Eurocard Mastercard AMEX

I authorise GIC (2004 EWEC Secretariat) to charge the indicated sum/s to:

Nr. _____ Exp.date: _____/_____/_____

Holder: _____ Total €: _____

Bank transfer (please arrange payment to EWEA):

Bank Name: Fortis Bank • IBAN code: BE03001419875084 • BIC code: GEBABEBB

All payments will be processed in Euro and are subject to current exchange rates. Payment must accompany registration form. Registrations that are received without payment will not be processed. In case of payment by bank transfer you should include a copy of the bank's remittance. Please note that banking fees have to be settled by the remitter and you MUST mention your name, and the purpose of your payment, so that the money can be assigned to your account.

Liability

2004 EWEC Secretariat is working as an agent on behalf of EWEA. Neither 2004 EWEC Secretariat nor EWEA can be held responsible for any loss, injury or damage to any property, whatever the cause may be. Liability of persons and enterprises providing means of transportation or other services, however, remains unaffected. The customer takes part in all tours and trips at his own risk. Only written arrangements are binding. Sole venue is London. We ask you to authorize 2004 EWEC Secretariat by signature to use all registration data given by this form for a computerised handling of this conference.

By signing, I confirm that I agree with 2004 EWEC registration policies, as outlined on the registration pages at www.ewec.info.
